

## **GREETINGS FROM MARS!**

### **To Catalog the Dunes**

[uahirise.org/ESP\\_o49439\\_1165](http://uahirise.org/ESP_o49439_1165)

Acquisition date: 11 February 2017

Approximately 251 kilometers above the surface

Less than 1 kilometer across

Observations like this one will be used to aid in classification and volume estimates of dunes in USGS global dune database.
